L-Methionine is classified as an essential amino acid, which means that it cannot be manufactured by the body. It must be obtained through the diet or by supplementation. The body is able to convert methionine to cysteine which acts as a precursor to the detoxifying antioxidant L-Glutathione. This formulation provides Free Form L-Methionine to promote optimal absorption and assimilation.*

- > Supports Detox Mechanisms*
- > Supports joint health*
- > Supports fat metabolism*

SUGGESTED USE: As a dietary supplement, take two (2) capsules daily as needed, preferably on an empty stomach. Consider taking this product in combination with Best Naturals Choline, Inositol, Lecithin and Milk Thistle.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
