

Gluco-Factors® features a blend of raw glandular concentrates combined with micronutrients, including chromium, that play a role in glucose metabolism. Chromium is a component of glucose tolerance factor (GTF) which, with insulin, assists in the movement of glucose into cells. •

•These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take one tablet twice daily or as directed by your healthcare practitioner.

CAUTION: Keep out of the reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

Formulated to Exclude: Wheat, gluten, soy, nuts, tree nuts, fish, crustacean shellfish, artificial colors, sweeteners, and preservatives.
