

Directions: For children and adults 150 pounds or more take two to four capsules daily. For children under 150 pounds take one to two capsules daily. Safe for pets (one capsule). Ideal for use in cases of nuclear radiation exposure.

NukeProtect is an ideal supplement for those needing optimal antioxidant support. The antioxidants found in NukeProtect have an ORAC profile six times more powerful than blueberries. NukeProtect also contains natural-source iodine from wild kelp, as well as 110% of the recommended intake of natural-source selenium.
