

Noni (*Morinda citrifolia*) grows extensively throughout the South Pacific and has been traditionally consumed as a tonic by native populations of the region. Noni has an abundance of naturally-occurring polysaccharides, phytonutrients, bioflavonoids and unique fatty acid esters contributing to Noni's free radical quenching properties.\* Certain research publications indicate that Noni may help support the following:

- › Supports healthy cellular responses\*
- › Supports healthy blood sugar level\*
- › Supports healthy blood pressure level\*
- › Supports healthy digestive and urinary system\*

**SUGGESTED USE:** As a dietary supplement, take three (3) capsules three times daily on empty stomach, or as directed by your qualified healthcare professional. (Capsules may be opened and prepared as a tea.)

**Keep out of the reach of children.**

**Do not use if safety seal is broken or missing.**

**Keep in cool, dry place.**
