

**Directions:** Take one capsule daily. For young children or pets open capsules and mix with food or drink. For best results use daily.

OregaMax, the original wild, raw oregano formula, supports a healthy reaction to environmental, immune, joint, and digestive response.\* A source of raw minerals, this wild oregano grows directly on rock in the remote Mediterranean mountains. Unlike commercial oregano, OregaMax is undiluted. 100% raw, it's highly potent. It's the original, traditional formula with *Rhus coriaria*. So tasty it can be sprinkled on all food.
