

Best Naturals Pine Bark Extract is naturally derived from the inner bark of Chinese Red Pine (*Pinus massoniana*), which is prized for its powerful free radical-scavenging polyphenolic flavonoid constituents, oligomeric proanthocyanidins (OPCs). Scientific studies indicate that Chinese Red Pine Bark Extract may help to protect healthy cells from being damaged by free radicals.* Certain research publications indicate that Pine Bark Extract may help support the following:

- ▶ Supports healthy cardiovascular system.*
- ▶ Support healthy cellular growth and reproduction.*

SUGGESTED USE: As a dietary supplement, take 1/16 teaspoon (250 mg) daily, or as directed by your qualified healthcare professional.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
