

Suggested Use: Take 1 capsule, 2 times daily or as directed by a health professional.

NAC (N-acetyl-cysteine) is a key amino acid derived from l-cysteine. It is a powerful free radical scavenger which helps replenish glutathione, a critical tripeptide for antioxidant defense.**

- ▶ Promotes optimal liver support; has the ability to help chelate heavy metals**
- ▶ Supports respiratory health through its beneficial action on mucus secretions**

Store in a cool, dry place.
Keep out of reach of children.
