

Dietary Supplement

VOLUME PILLS™

NEW and IMPROVED

60 tablets

VOLUME PILLS™

Directions:

As a dietary supplement, please take 2 tablets daily with 8 oz. of water. Additional tablets can be taken to achieve desired effect. Do not exceed 6 tablets in a 24 hour period. Since Volume Pills are natural and work gradually over time, on-going daily usage is required. For the best results, and to kick start your system, please refrain from masturbation and/or sexual activity for 7 days.

Caution: As with any nutritional supplement, please consult your physician before taking this product, especially if you are taking prescription medicine. Women who are pregnant should not take this product. Keep out of reach of children.

Manufactured exclusively for and distributed by:
