

Red Yeast Rice is a unique natural product that's been used in Asian traditional medical systems since approximately 800 A.D. It is produced by the fermentation of red yeast (*Monascus purpureus*) with white rice. Best Naturals Red Yeast Rice is carefully produced to avoid the presence of citrinin, a sometimes toxic by-product of the fermentation process. This product is further enhanced with the addition of CoQ10.*

- Supports healthy cholesterol level*
- Supports heart & cardiovascular health*
- Supports healthy immune system*
- Supports healthy blood flow*

SUGGESTED USE: As a dietary supplement, take two (2) capsules one to two times daily, preferably with food. Consider taking this product in combination with Best Naturals Niacin, Alpha lipoic acid and Milk Thistle.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
