

Directions: Use a PurelyPak daily with or without meals. Take all at once or throughout the day. Add a pak to smoothies. Great for the whole family.

PurelyPak is real, whole food vitamins, no chemicals. Why waste money on hard-to-absorb chemical/synthetic vitamins when you can get the real thing? The body better absorbs whole food vitamins, and PurelyPak is truly whole food. For instance, the rich, natural-source vitamin C in PurelyPak is from the Amazon camu camu berry. Wild sockeye salmon provides the richest nonsynthetic source of vitamins A and D plus EPA, DHA, and the most complete spectrum of omega 3-6-9 fatty acids. PurelyPak also supplies nonsoy, non-GMO vitamin E from the finest sunflower seeds. Grass-fed beef liver (chlorophyll green) capsules supply additional B vitamins plus B₁₂, vitamins A, D, and more. Take PurelyPak, the only truly natural whole food vitamin supplement plan, every day.
