

St. John's Wort's has been one of the most popular herbal products in Europe. The aerial parts of the herb that are used medicinally are harvested during the flowering season and then dried to make the extract which is standardized to consistently supply 0.3% hypericin. Certain research publications indicate that St. Jhon's Wort may help support the following:

- ▶ Supports mental health & emotional wellness\*
- ▶ Supports healthy mood\*
- ▶ Supports healthy nervous system\*

**CAUTION:** For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

**Keep out of the reach of children.**

**Do not use if safety seal is broken or missing.**

**Keep in cool, dry place.**
