

Strontium is one of the most abundant organic trace mineral on earth. It's molecularly similar to calcium and is found in healthy bones and teeth. Strontium citrate concentrates in the skeletal system, where it plays a key role in supporting bone tissue density.* Certain research publications indicate that Strontium may help support the following:

- Supports bone health*
- Supports joint health*
- Supports dental health*

SUGGESTED USE: As a dietary supplement, take (2) capsules once daily, or as recommended by a healthcare practitioner. For optimal absorption, take on empty stomach and at least two hours apart from calcium, magnesium or antacids.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
