

Finding balance for a vegan protein is difficult. Often, you are sacrificing either taste or a quality amino acid profile to achieve the other.

Core VEGAN solves that problem. To ensure you receive a complete protein with every serving of our pea and brown rice protein blend, we add fermented vegan BCAAs to every scoop. To ensure maximum digestibility, we also add the digestive blend DigeSEB™, an exact mixture of amylases, lactase, proteases, lipase, and cellulase.

Really, the taste. We get it: vegan proteins do not typically taste great. Core VEGAN does. We worked relentlessly to nail down a flavor profile and creamy texture that rivals any animal-based protein. Our testers called it the best-tasting plant-based protein on the market. Yes, that good.*

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your health-care provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Immediately discontinue use and consult your health care professional if you experience adverse reaction to this product. Do not exceed recommended serving. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Add 1 scoop to 8-16 ounces of cold water and shake or stir until mixed.
