

Directions: Take 2 or more capsules ten minutes before meals twice daily with 1 or more glasses of water or diluted fruit juice. For ideal results during a cleanse, take 4 capsules twice daily, again with plenty of fluids. For every 4 or 5 capsules, be sure to drink one glass of water.

Total Daily Purge+ is the way to cleanse the entire system—the liver, gallbladder, intestines, and kidneys, even the blood and lymph.* It also supports the digestive system. Unlike laxatives, Total Daily Purge+ is ideal for maintenance and should be taken daily. Super-charged with wild, raw ingredients and probiotics, this is the power you need to keep your body cleansed and to promote healthy bowels, liver, and more.* For best results take Total Daily Purge+ and Total Body Purge simultaneously.
