Turmeric Curcumin with Bioperine contains a standardized extract of Curcuma Longa root, commonly known as "Turmeric". In the Far East, Turmeric is valued for more than just its culinary uses. The herb has been employed in the Ayurvedic healing tradition for centuries as a folk remedy. The active ingredients in Curcuma Longa are a group of plant substances called curcuminoids. Collectively known as "Curcumin", they have demonstrated potent antioxidant properties in scientific studies.\* Certain research publications indicate that Turmeric Curcumin may help support the following:

- Supports healthy cardiovascular system\*
- Supports inflammation response\*
- Supports healthy joints, vision & immune function\*

**CAUTION:** For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

**Keep out of the reach of children.**

**Do not use if safety seal is broken or missing.**

**Keep in cool, dry place.**
