

Vitamin B-2, also known as Riboflavin, is a member of the B-vitamin family. It occurs naturally in green vegetables, liver, kidneys, wheat germ, milk, eggs, cheese and fish. It is essential nutrient for energy production and the metabolism of carbohydrates, fats, and proteins.* Certain research publications indicate that it may help support the following:

- Supports healthy nervous system*
- Supports healthy vision, skin and hair*

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.
Do not use if safety seal is broken or missing.
Keep in cool, dry place.
