

Zinc is an essential mineral that plays an important role in many enzymatic functions and also supports normal growth and development of the reproductive organs.† Certain research publications indicate that Zinc may help support the following:

- › Supports energy production.†
- › Supports skeletal and immune health.†
- › Supports antioxidant protection.†

SUGGESTED USE: As a dietary supplement, take one (1) tablet daily, preferably with a meal.

Keep out of the reach of children.
Do not use if safety seal is broken or missing.
Keep in cool, dry place.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
