

Acetyl-L-Carnitine is a modified amino acid that supports cellular energy production by assisting in the transport of fat into the mitochondria where it is oxidized and converted into ATP (chemical energy for the cell).† Certain research publications indicate that Acetyl L-Carnitine may help support the following:

- Support healthy cellular energy metabolism.†
- Support brain & nervous system function.†

**SUGGESTED USE:** As a dietary supplement, take one (1) capsule twice daily, between meals, or as directed by your qualified healthcare professional. Consider taking this product in combination with Best Naturals Pantothenic Acid, Choline and Mind Alert.

*Keep out of the reach of children.  
Do not use if safety seal is broken or missing.  
Keep in cool, dry place.*
