

Alpha lipoic acid is a unique lipid and water soluble metabolic antioxidant that is a cofactor in energy production within cells. It is a potent free radical quencher and aids other vitamins in their antioxidant activity. Alpha lipoic acid is a vitamin-like compound that plays an important role in liver and metal detoxification.† Certain research publications indicate that Alpha Lipoic Acid may help support the following:

- Supports healthy blood sugar level.†
- Supports vision and nerve function.†

**CAUTION:** For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

*Keep out of the reach of children.*  
*Do not use if safety seal is broken or missing.*  
*Keep in cool, dry place.*
