Biotin is an important B-vitamin that helps in providing dietary support for healthy hair and nails, and also helps in energy production. Biotin is an important component of enzymes in the body and helps to break down certain substances like fats, carbohydrates, and others.† Certain research publications indicate that Biotin may help support the following:

- Supports healthy hair, scalp, skin & nails.†
- Supports cellular energy production.†
- Supports amino acid metabolism.†
- Supports immune health.†
- Supports carbohydrate, protein & fat metabolism.†

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.
Do not use if safety seal is Broken or missing.
Keep in cool, dry place.
