

Suggested Use: As a dietary supplement, healthy adults take one capsule in the morning on an empty stomach at least 15 minutes before breakfast, or as recommended by a qualified healthcare professional. For long-term use, take every other day. Take half of a capsule if sensitive to herbs.

Warnings: Keep out of reach of children. Consult with a qualified healthcare professional prior to using this product. Do not take if you have a heart condition. Do not take the same day as an antidepressant drug. Sealed for your protection. Do not use if seal is missing or broken. Store at room temperature, in a dry place. Protect product from excessive heat, freezing, humidity, and light.

This product is not manufactured with milk, eggs, fish, crustacean shellfish, tree nuts, peanuts, wheat, soy or gluten. Produced in a third-party registered cGMP compliant facility that may process other products containing these allergens or ingredients.
