

Directions: As a dietary supplement to boost and promote sexual health, take two (2) capsules once daily in the morning with meals or as recommended by your health care professional. Take consistently for at least 4 months for best results.*

Warnings/Precautions:

Do not exceed 3 capsules per day. Consult with your physician or healthcare professional before use if you have any known medical condition, are taking any other medications or supplements, or are pregnant or lactating. This product should only be taken by healthy adults at least 18 years of age or older. L-Arginine may interact with certain heart and blood pressure medications and may stimulate human growth hormone (HGH).

Do not use if foil safety seal is damaged or missing.

Store at room temperature.

KEEP OUT OF REACH OF CHILDREN
