

Coenzyme Q10 is a vitamin-like compound also called ubiquinone. It is an essential component of cells and is necessary for mitochondrial energy production. CoQ10 also functions as a powerful fat soluble antioxidant, providing protection against free radical attack for vascular structures, as well as for other tissues.† Certain research publications indicate that CoQ10 may help support the following:

- Supports healthy cardiovascular function.†
- Supports healthy cognitive function.†
- Supports immune health & healthy aging.†

**CAUTION:** For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

**Keep out of the reach of children.**

**Do not use if safety seal is broken or missing.**

**Keep in cool, dry place.**
