bio3 Slim Body Tea contains key ingredients that naturally help your body through weight loss, but losing weight requires your commitment, and a balanced diet and regular exercise are essential in maintaining a healthy lifestyle.

Our blend of weight control tea is cultivated from plants grown in a pollution-free environment, altogether made with natural ingredients.

This product has been developed in the European Union by **bio3** and is guaranteed by constant internal controls and analyses by independent laboratories according to the strictest norm for EU dietary supplements.

bio3 Slim Body contiene una selección de plantas que te ayudan de forma natural, pero una pérdida de peso duradera requiere de tu compromiso con un estilo de vida saludable y una dieta sana. Este producto está desarrollado en Europa y sujeto a rigurosos controles de calidad, cumpliendo con las normativas aplicables a complementos alimenticios.

Ingredientes

Infusión de plantas:

Malva (*Malva sylvestris*)
Casia (*Cassia angustifolia*)
Salvia (*Salvia officinalis*)

Forma de uso

Ponga una bolsita de **bio3** Slim Body en una taza de agua bien caliente (sin dejar hervir), mantener en reposo 3 minutos, y disfrute su rico sabor. Tomar preferentemente después de la cena.

bio3 Slim Body no debe ser consumido por mujeres embarazadas, niños o personas con problemas intestinales, sin el consejo de su médico o farmacéutico.

Ingredients

Wild Mallow (*Malva sylvestris*)
Cassia leaves (*Cassia angustifolia*)
Sage leaves (*Salvia officinalis*)

Suggested Use

Place one tea bag in a cup, add very hot water and let it steep for 3 minutes. We recommend one bag a day, preferably after dinner. Should not be consumed by children, pregnant women or people with intestinal conditions.
