

Glutagenics® features three key ingredients—glutamine, deglycyrrhized licorice (DGL), and aloe—that are designed to support the integrity and healthy function of the gastrointestinal lining. A healthy gastrointestinal lining is essential for proper digestion, immune function, and overall health.

Glutagenics supplies:

- 3.5 grams of the amino acid glutamine, which provides both a source of fuel and precursors for growth to the rapidly dividing cells of the intestinal lining.*
- A concentrated extract of DGL to support gastrointestinal health.*
- A premium extract of aloe leaf containing polysaccharides to support a healthy intestinal lining.*
- Natural flavors for improved taste.

The licorice in Glutagenics has been processed to remove glycyrrhizin, which has been associated with sodium and water retention. In addition, a proprietary extraction process removes the bitter principles of aloe to prevent a laxative effect.

♦These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Mix about one teaspoon with water three times daily or as directed by your healthcare practitioner.

This product is **Gluten Free and Vegetarian**.

WARNING: Do not use if pregnant or nursing.

CAUTION: If taking medication, please consult your healthcare practitioner before use. Keep out of the reach of children.

STORAGE: Keep tightly closed in a cool, dry place.
