It's fun to feel good.

Plain drinking water (even bottled "mineral water") does not deliver the necessary quantity or balance of the essential minerals and electrolytes that your body requires for optimal hydration.

Jigsaw **Electrolyte Supreme™** provides a balanced combination of key electrolytes and minerals such as calcium, magnesium, zinc, selenium, sodium and potassium as well as important B complex vitamins in their active, bioavailable form to enhance energy production.*

Suggested Use: As a nutritional supplement, mix 1 scoop in 8-16 fl oz of cold water (or to taste) and stir for 5 seconds once daily. Or use as directed by your healthcare professional.

Albion®, TRAACS™ and the Albion Gold Medallion design are registered trademarks of Albion Laboratories, Inc. U.S. Patent 7,609,042.

Product of the U.S.A. with select ingredients thoughtfully curated from around the world.

Should not be used if tamper-evident seal is broken. Keep out of reach of children. Store in a cool, dry place.
