Did you know?

Velcro was inspired by this versatile wellness plant back in the '40s. For thousands of years Burdock has been an immensely popular cooked vegetable in Japan where it is called Gobo.

We care about the future of mankind and the planet we call home. As certified organic farmers we grow many of the herbs found in our products. Our regenerative practices heal the land, sequester carbon from the atmosphere and ensure that pure, potent herbal medicine is available today and for future generations. **Peace.**

Free from: Dairy, wheat, peanuts, soy, gluten and corn allergens.

CAUTION: Keep out of reach of children. If taking medication consult with a healthcare professional before use. Do not take if pregnant or nursing. Discontinue use if unusual symptoms occur.
