

Did you know?

Cayenne pepper played a role in fueling the spice trade hundreds of years ago. Today, this hot little herb can actually help calm the stomach and improve digestion. Cayenne is also naturally high in antioxidant activity. So, complement your diet and add a little more spice in your life.*

We care about the future of mankind and the planet we call home. As certified organic farmers we grow many of the herbs found in our products. Our regenerative practices heal the land, sequester carbon from the atmosphere and ensure that pure, potent herbal medicine is available today and for future generations. **Peace.**

Free from: Dairy, wheat, peanuts, soy, gluten and corn allergens.

CAUTION: Keep out of reach of children. If taking medication consult with a healthcare professional before use. Do not take if pregnant or nursing. Discontinue use if unusual symptoms occur.
