

L-Tyrosine is a non-essential amino acid that plays an important role in the production of melanin (the pigment that gives skin and hair their color) and neurotransmitters dopamine and norepinephrine. In addition, because L-Tyrosine is necessary for the synthesis of thyroid hormone and epinephrine (adrenaline), L-Tyrosine promotes healthy glandular function and stress response.† Certain research publications indicate that L-Tyrosine may help support the following:

- ▶ Supports mental alertness & stress response.†
- ▶ Supports healthy glandular function.†
- ▶ Supports brain function.†

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

 **MADE IN USA**

L-Tyrosine
