Maca has been imported traditional food and medicinal plant for over 2000 years. Maca is naturally rich in essential minerals, especially selenium, calcium, magnesium and iron, and fatty acid including; linolenic acid, palmitic acid, oleic acid and 19 amino acids, as well as polysaccharides. Certain research publications indicate that Maca may help support the following:

- Support male and female reproductive health.*
- Supports healthy stamina, energy and sexual function*

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
