

Potassium is an important mineral used in various bodily functions. It is found naturally in food like green leafy vegetables, sunflower seeds, potato and bananas. It is an important factor in the maintenance of the body's acid-base balance and nerve condition, as well as the transfer of nutrients through cell membranes.* Certain research publications indicate that Potassium Gluconate may help support the following:

- Supports nerve conduction*
- Supports heart and circulatory health*

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
