

Doctor's Best Brain Formula helps complement neuron production by enhancing and maintaining the Brain-Derived Neurotrophic Factor (BDNF) levels.* Quality neurons are vital in higher thinking functions, learning and long-term memory.* This blend features properties known to support healthy cognitive function, memory, focus, and overall brain health.* The combination of N-Acetyl-L-Cysteine (NAC), curcumin, flavonoid containing extracts from green tea leaf, and whole coffee fruit are beneficial to the body's collective antioxidant potential capacity, supporting immune health and a positive mood.*

Helps support the BDNF levels*

Helps support cognitive function, focus & attention*

Helps support and maintain a positive mood*
