

Suggested Use: To support mental performance, take 2 capsules in the morning or early afternoon. Avoid taking within 4 hours of bedtime. Do not exceed 4 capsules per day.†

Halcyon's unique, patent-pending formulation synchronizes the time-release profile of each compound, allowing for sustained, synergistic effects as these compounds are metabolized in the brain.†

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to treat, diagnose, cure, or prevent disease.

Caution: Do not exceed recommended dose. Pregnant and nursing mothers, children under the age of 18, and individuals with a known medical condition or who are taking prescription medication should consult a physician before taking this or any dietary supplement.
