

Doctor & Pharmacist[§]
Recommended
Calcium Brand

Defy bone aging with 100% Daily Value of CITRACAL calcium and a high level of vitamin D₃.

Adequate calcium and vitamin D throughout life, as part of a well-balanced diet, may reduce the risk of osteoporosis.

CITRACAL **maximum PLUS** contains essential micronutrients to support bone health* and is made with calcium citrate, a different kind of calcium:

- highly soluble, easily absorbed
- can be taken with or without food
- gentle on your digestive system
- rich in collagen-supporting minerals to support your strong & flexible bones*

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
