

X001U2S1U

SUGGESTED USE: As a dietary supplement take one (1) softgel, 2 - 3 times daily with meals.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under the age of 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement.

KEEP OUT OF REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE IN A COOL, DRY PLACE.

Fish Out Of Water™ uses 100% Pure Sea-Harvested Pelagic Fish Oil as our natural source of Omega-3 Essential Fatty Acids (EFAs). Because our modern diet is loaded with omega 6 & 9 (meat and vegetable oils) it is important to supplement with extra Omega-3, EPA and DHA content.*

Omega-3s are an important nutrient for maintaining a healthy brain and nervous system. EFAs also contribute to healthy heart function and joint flexibility as well as supporting brain, nerve, and visual function.*

Fish Out Of Water™ is tested to make sure it is free from harmful levels of contaminants.*

* These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
