Did you know?

Your body's normal immune response to spring, summer, fall and even winter can often feel like a full frontal challenge. The beauty of Quercetin and freeze-dried Nettle is their ability to support your body's normal histamine-producing response.*

We care about the future of mankind and the planet we call home. As certified organic farmers we grow many of the herbs found in our products. Our regenerative practices heal the land, sequester carbon from the atmosphere and ensure that pure, potent herbal medicine is available today and for future generations. **Peace.**

Free from: Gluten, dairy and soy allergens.

CAUTION: Keep out of reach of children. If taking medication consult with a healthcare professional before use. Do not take if pregnant or nursing. Discontinue use if unusual symptoms occur.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
