

Did you know?

Our organic Oregon Grape is sustainably harvested in the wild of the Northwest. It has the same delightfully supportive phytochemical compound, Berberine, naturally found in plants such as Goldenseal.*

We care about the future of mankind and the planet we call home. As certified organic farmers we grow many of the herbs found in our products. Our regenerative practices heal the land, sequester carbon from the atmosphere and ensure that pure, potent herbal medicine is available today and for future generations. **Peace.**

Free from: Gluten, dairy and soy allergens.

CAUTION: Keep out of reach of children. If taking medication consult with a healthcare professional before use. Do not take if pregnant or nursing. Discontinue use if unusual symptoms occur.
