

Did you know?

Early 20th century physicians prescribed Red Clover as an alternative which was thought to restore balance and improve health and vitality.* Today, research is now focused on Red Clover being a good source of isoflavones like those found in Black Cohosh.

We care about the future of mankind and the planet we call home. As certified organic farmers we grow many of the herbs found in our products. Our regenerative practices heal the land, sequester carbon from the atmosphere and ensure that pure, potent herbal medicine is available today and for future generations. **Peace.**
