

Did you know?

Your prostate needs good nutrition just like the rest of your body. As you age, a little extra help can make urinating easier and less intrusive. This wonderful blend contains a botanical combination that supports an aging prostate with the love and kindness it deserves. Please be sure to get an exam if you're over 50.*

We care about the future of mankind and the planet we call home. As certified organic farmers we grow many of the herbs found in our products. Our regenerative practices heal the land, sequester carbon from the atmosphere and ensure that pure, potent herbal medicine is available today and for future generations. **Peace.**
