<sup>†</sup> Daily Value (DV) not established

\*\*Quality, Purity and Potency guaranteed through expiration

**Other Ingredients:** Rice Maltodextrin, Vegan Capsule Shell (Hypromellose, Gellan Gum), FOS (Fructooligosaccharides), Stearic Acid, Silicon Dioxide

No Preservatives or Artificial Colorings

MADE IN THE USA

#### Why EndoMune Advanced?

- Developed by gastroenterologist Dr. Lawrence Hoberman
- Recommended by healthcare professionals
- Delayed-release acid-resistant capsules
- Contains both prebiotics and probiotics

Laboratory tested to meet strict quality control standards for potency, purity and disintegration.

**Suggested Use:** Adults and children 9 years and older, take 1 capsule per day. Our improved advanced capsule design protects bacteria from gastric acid, so take at any time of day.

**Storage:** Innovative packaging to protect against humidity. Refrigeration is recommended but not necessary.

**Caution:** Do not use if seal is broken. Please keep out of reach of children. Consult your physician before using if under medical care.

**Produced in a NSF cGMP compliant facility.**
