

Hair U-Grow™ provides a very well-balanced blend of important nutrients which have been recognized for their significance in promoting healthy hair growth. Our special formula includes herbs like Saw Palmetto, which can have very positive effects on lowering DHT levels in the body. DHT is known as a major contribution factor in hair loss by both men and women.

RECOMMENDED USE: One tablet taken with meals as a dietary supplement, or as directed by a health care professional.

CAUTION: Do not exceed recommended dose. Consult your physician before consumption if you are currently taking any Anti-Coagulant or MAO Inhibiting Drugs. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish. This product is formulated to provide a gradual release of vitamin C, and B-complex over a prolonged period of time.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
