

Doctor's Best Polyphenol-C® Complex contains ingredients that include a broad spectrum antioxidant blend featuring polyphenols from highly concentrated extracts of whole grapes, and colorful whole berries – blueberry, cranberry, raspberry, and strawberry. Antioxidants help the body eliminate free radicals, oxidative stress, and help support a healthy immune response.* These powerful anthocyanins are the primary active forms found in fresh berries, combined and formed into an easy to use supplement, to complement your daily dynamic and overall well-being.*

Helps support immune health*

Helps support overall well-being*
