

Doctor's Best Respiratory Care contains AP-Bio® Andrographis (*Andrographis paniculata*) leaf extract, known as the "King of Bitters". Indigenous to Southeast Asia and India, this bitter-tasting herbaceous plant contains a biologically significant active compound called andrographolides.* Andrographis is often referred to as the "Indian Echinacea," and has been used for centuries as a prominent agent of health due to its full-bodied antioxidant properties.* Extensive clinical studies revealed that Andrographis has a myriad of benefits to the human body supporting immune system function, respiratory, and skin health.* Andrographis, healthy visceral and peripheral support from nature.*

Helps support a healthy immune system function*
Full-bodied antioxidant properties from nature*
