

The full metal jacket is the basic unit of munitions. Basic, but indispensable – and more importantly, explosive. Significant damage in a small, simple, and elegant package. Full Metal Jacket, our product, is designed with precisely the same principles: simple but explosive. Two ingredients, contained in their clinical dosages, that lead to explosive growth in your anabolic processes. Make FMJ the basic unit of your gains strategy.†

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor), PDE5 inhibitor, nitrates for chest pain, or any other medication. Immediately discontinue use and consult your health care professional if you experience adverse reaction to this product. Do not exceed recommended serving. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Take 5 capsules before your workout on training days without food.
