WARNING

KEEP OUT OF REACH OF CHILDREN. NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. Consult a physician or licensed qualified health care professional before using this product if you have, or have a family history of, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over the counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heart beat, dizziness, blurred vision, or other similar symptoms. This product contains steroid hormones that may cause increased facial and body hair, voice deepening. If you are at risk for prostate or breast cancer, you should not use this product. Do not use if governed by any body that prohibits hormone use.
