CORE SERIES
VITAMIN C

**ANTIOXIDANT SUPPORT &
COLLAGEN PRODUCTION†**

Did you know that most Vitamin C has poor bioavailability, meaning your does not absorb it well? Blackstone Labs' Vitamin C with bioflavonoids solves the bioavailability problem with advanced Liposomal Delivery Technology. Liposomes protect Vitamin C along with cyclodextrin to provide optimal absorption technology. Vitamin C with high bioavailability is essential, as it is an important nutrient for promoting immune system health, collagen synthesis, antioxidants and much more.†

DIRECTIONS

For healthy adults, take two (2) tablets one to two times daily, preferably with food.

WARNING

Keep out of reach of children. Consult a doctor if you are nursing or pregnant prior to use or if you have any medical conditions. Discontinue use if any allergic or adverse reaction occurs and alert your doctor. Store at room temperature.
