

Hello sunshine. Vitamin D3 is naturally produced when sunlight hits your skin. Because most of us don't get to spend our days out in the sun, we must give our bodies a daily dose. Our delicious D3 Gummies are packed with the needed D3 for the body to regulate phosphorus and calcium levels for healthy heart, bones and teeth.* Vitamin D3 influences the chemical messengers of the immune system supporting overall health.*

Supports

- Healthy bones and teeth*
- Immune health*
- Calcium absorption*
