

Doctor's Best Vitamin D3 Kids Gummies

A simple and convenient source of "the sunshine vitamin" critical for the growth and development of a child's bones, teeth, and muscles. Helps the body absorb calcium, supports a healthy nervous system, and promotes optimal immune function.* Comes in great-tasting natural strawberry, peach and mango flavors that kids love.

- **Supports normal skeletal and muscular development***
- **Regulates calcium metabolism to help young bodies grow***
- **Promotes healthy immune function***
