

Insinase™ is a nutritional supplement with scientifically tested ingredients designed to support healthy insulin function. Developed through the ExpressSyn® Process, Insinase provides selective kinase response modulators (SKRMs) in the forms of RIAA and acacia. Kinases play an important role in healthy insulin signaling and overall insulin function.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take three tablets daily or as directed by your healthcare practitioner.

CAUTION: Do not use if pregnant, nursing, or taking anticoagulants. If taking other medication, consult your healthcare practitioner before use. Keep out of the reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

This product is **Gluten Free and Vegetarian**.

Formulated to Exclude: Wheat, gluten, corn protein, soy, dairy products, nuts, tree nuts, fish, crustacean shellfish, artificial sweeteners, and preservatives.

Insinase™
