Description

NUTRILITE INTSTIFLORA 7 delivers a concentrated blend of live probiotic cultures and the prebiotics that encourage their growth. Daily use can aid in the digestion of dairy products and help relieve occasional minor diarrhea that may result from changes in diet, eating habits, or stress.

Benefits

NUTRILITE INTSTIFLORA 7

- Provides seven highly concentrated levels of healthy microflora
- Helps replenish and enhance the natural balance of the healthy probiotics found naturally in your digestive tract
- Protects the seven microflora cultures with a unique, patented coating
- Comes in a 0.05 gram stick pack that needs no refrigeration

NUTRILITE®

INTSTIFLORA 7™

AA-0114

SUGGESTED USE: Contents can be swallowed with a cold beverage such as juice or water. Or, if preferred, sprinkle onto food such as cold cereal or yogurt. Due to the nature of the product, consumption with hot food or beverages is not recommended. For best results use daily.

IntestiFlora-7's unique patented process guarantees highly concentrated live cultures of 7 different strains of probiotic bacteria. This product includes four strains of Lactobacilli for the small intestine, two strains of Bifidobacteria for the large intestine, one strain of Streptococcus for improvement of the intestinal environment (at least one billion total), along with 1 g of the prebiotic FOS to encourage their growth. This product also includes the addition of a fiber based NUTRILITE® concentrate.

Taken regularly, NUTRILITE IntestiFlora-7 helps support the body's immune system and overall intestinal health. Daily use of NUTRILITE IntestiFlora-7 helps maintain a normal, healthy colon and intestinal flora, restoring the natural balance of healthy bacteria in your digestive tract. For your convenience, the exclusive NUTRILITE formula requires no refrigeration.

NO ARTIFICIAL COLORS, FLAVORS, PRESERVATIVES ADDED – KEEP OUT OF REACH OF CHILDREN – STORE IN A COOL DRY PLACE – ANYONE WITH A MEDICAL CONDITION SHOULD CONSULT WITH A PHYSICIAN BEFORE TAKING THIS PRODUCT.
